

2024 JCEEF Projected Grant Funding

\$ 800

4-H Youth Development Livestock Grant

Fund a professional speaker to offer education to Johnson County citizens about animal agriculture.

\$ 500

EMG Demonstration Garden

Development of a new pollinator/host plant garden with native plants at the Blue Valley Wilderness Science Center EMG demonstration garden.

\$ 1,720

EMG Backyard Garden

Improvements to the irrigation system at K-State Olathe Horticulture Research and Extension Center.

\$ 1,000

Extension Office

Fund a pilot program for Spanish-language Extension content across program areas.

\$ 2,000

EMG Deanna Rose Farmstead

Create a Hosta garden to educate the public on Hosta varieties, planting, and care, as well as shade gardening and companion plants.

\$ 500

Extension Master Food Volunteers

Marketing materials for community outreach. The grant funds will be spent to update our displays, educational information, and give-away items.

\$ 2,000

Extension Office

Re-launch JoCo EATS to connect the community to food security resources, education, and tools to combat hunger and poor health outcomes.

\$ 3,500

Extension Office

Revitalize the Silver Clovers program as a support system for an aging population that is prone to social isolation.

\$ 400

EMG Shawnee Indian Mission

Replace native perennial plants and plugs in the Monarch Watch Certified pollinator raingarden/bioswale and native plant garden.

\$ 1,000

Extension Office

Replace the current sign at the Sunset Community Garden with a smart sign so the garden can serve as a stand-alone educational space.

\$ 1,000

VITA

Marketing and office supplies to support tax services at no cost to low to moderate income families.

\$ 2,460

Extension Office

Professional Development utilizing Gallop Strengths Assessment for staff and certification training for the Extension Director.

\$ 1,125

Junior EMG

Provide five elementary schools Junior Master Gardeners with an educational program from Operation Wildlife.

\$ 18,005

IT'S ALL ABOUT THE

Impact

MISSION

Create awareness and provide financial support for Johnson County, K-State Research and Extension programs to improve the lives of Johnson County residents.

VISION

Johnson County residents will know, support, and utilize Johnson County, K-State Research and Extension.

2023 MEMBERSHIP FUNDS

As a membership-based organization, membership funds go directly into action for local Extension programs.
