## **Happy Helpers 4-H Club Participates in County Club Day**

By: Nathan Delancy, Happy Helpers 4-H Club Reporter

Members of the Happy Helpers 4-H Club participated in the Johnson County 4-H Club Day on Saturday, March 1, 2025. The event was held at Pioneer Ridge Middle School in Gardner, Kansas. Members represented the club with 45 different entries. Together, the Happy Helpers 4-H Club earned 15 top placements and 6 Alternate Top Purples. The club is excited about representing Johnson County at Regional Club Day on March 29th in Tecumseh, Kansas. Members are most excited about presenting the Club Skit for another audience.

## **Snow Creek**

By Alyssa Coultis, Prairie Moon 4-H Club Reporter

On January 26th, Prairie Moon went snow tubing at Snow Creek in Weston, MO. The hills were very icy that day and made the tubes go faster than usual. Everyone who went had a lot of fun!

## County Club Days

By Iris Friedline, Great Plains 4-H Club Reporter

Another Club Days is in the books for the Great Plains 4h club! On Saturday, March 1st, they presented over 65 presentations! With everything ranging from a solo impromptu to a group club play, memories were made, lessons learned, and ribbons won. Several of the Great Plains members got top purple ribbons and are beyond excited to take their projects to regionals. They hope to see you there!

## Oxford Hustlers Shine at County Club Day

By Victoria Olberding, Oxford Hustlers 4-H Club Reporter

The Oxford Hustlers 4-H Club shined bright at this year's County Club Day! Club members participated in a club skit called, "A Day in the Life of a 4-H Judge." The club acted out a judge's day at the county fair, with some projects going well, and some projects not going quite as planned.

The club received Alternate Top Purple on the skit! Club members were also very busy with their individual events. We had a total of 16 entries from our club members. Congratulations to Felix B., Katie H., and Iris S. for receiving Top Purples and qualifying for Regional Club Day! Nice work at Club Day, Oxford Hustlers!

## Johnson County 4-H Horse Club

By Izzy Martinez, Johnson County 4-H Horse Club Reporter

Quickly following the National Western Round-Up, the Johnson County Horse Club created a senior team for Horse Bowl to try to win state Panorama for a chance to go to the Western Round-Up once again. On February 22nd, the team of Emma K., Ann'adele K., Gabby B., and Emma G. competed in Horse Bowl. The team got 1st place! In team Open Hippology, they earned 1st place, and for individuals, Ann'adele K. got 1st, Emma G. got 2nd, Gabby B. got 3rd, and Emma K. got 5th. The team is very excited to now be able to go to The National Western Round-Up for the second year in a row, this time in Horse Bowl.

## Comet Tech Updates!

By Joshua Watts, Comet Tech 4-H Club Reporter

A fun tradition of Comet Tech has been to introduce the newly inducted members by showing what part of the banana split our roles are. It may be fun to be called the top banana, and it's even better to eat one in a banana split!

At the beginning of 4H we got to celebrate the previous year by bringing all of our projects and showing our members what we were up to. Our projects ranged from giving talks, display boards,

pictures, paintings, wood working, and baking (yummm). There is a lot that happens during the year, so this is one of the best times in 4H. These are a few members that showed their projects during this time.

To celebrate the holidays a tradition of Comet Tech is to build gingerbread houses, and to have an excuse for candy while learning about engineering! It's very fun looking forward to everyone gathering and being creative, not just building; also playing music on the trumpet, violin, and guitar! We have a very talented club.
